ACCESS MORE CONTRACTS THROUGH CROSS-CERTIFICATION

OVERVIEW

- SFPUC is planning to use Clean Water State Revolving Fund (CWSRF) financing on several upcoming projects
- CWSRF is a financial assistance program established under the Federal Clean Water Act and administered by the EPA and California State Water Resources Board

OVERVIEW

- CWSRF requires the implementation of a DBE program. SFPUC is encouraging eligible LBEs and DBEs to cross-certify in order to maximize their subcontracting opportunities
- Prime contractors will be able to satisfy both LBE and DBE requirements by utilizing subcontractors that are certified as both a LBE and a DBE
