

Concrete Street Panels Replacement

Prospect Ave. from Kingston St. to Heyman Ave.

The San Francisco Public Utilities Commission (SFPUC) contractor will be removing old concrete panels, building wooden forms and pouring new concrete panels to follow up replacing the aging water main pipes.

Where: Work will occur on **Prospect Avenue**, between **Kingston Street** and **Heyman Avenue**. ([see map to the right](#))

When: Concrete panel replacement is anticipated to **begin Monday, May 1 and continue through Friday, May 19**. Weather and construction issues could impact the schedule. General workdays and hours are **Monday - Friday, 7:00 a.m. to 5:00 p.m.**

What to expect:

- Work will proceed in a linear fashion in approximately 100-ft. increments. They will work to minimize disruption to driveways. The west side of the street will be done first, followed by the east side. **No street parking will be allowed in the work zone in order to maintain two-way traffic during this time. Please see posted signs for details.** There may be noise, vibration, and dust impacts in the work zone and disruption to normal neighborhood activity.
- The contractor will demolish and remove the existing concrete street panels, grade and compact the site, and install the wooden forms. **Driveways will be inaccessible as vehicles cannot drive over the wooden forms.**
- The next day the contractor will pour the concrete for the new panels. **Driveways will be inaccessible as vehicles cannot drive over the newly poured concrete.** Inspectors must OK the panel for driveway access – expected to be 24 hours after the pour.
- **Parking will be prohibited in the work zone during work hours.**
- We apologize for the inconvenience caused by our work and will do all we can to minimize the impact on your neighborhood. If you have concerns (scheduled deliveries, accessibility needs, etc.) please contact the SFPUC representative listed. We will do everything possible to find a mutually agreeable solution. Thank you in advance for your cooperation and support.
