Making Upgrades

September 1, 2022

Construction Notice: Diamond Heights Water Main Replacement Project

What: The San Francisco Public Utilities Commission (SFPUC) will begin installation of new water mains to replace pipes that are approaching the end of their useful life.

When: Construction will begin the week of September 6, 2022. Weather and/or construction issues may impact the schedule.

Where: The first stage of construction will take place on Duncan Street from Douglass Street to approximately 500 feet east of Castro Street. See project webpage for a map of the overall work area and the three-week look-ahead schedule. Or call or e-mail us for more information.
