CityWorks is a paid summer internship program for high school and college students from San Francisco's southeast neighborhoods. Starting after their junior year in high school, this program provides students with internship opportunities either at the San Francisco Public Utilities Commission (SFPUC) or with one of the SFPUC's private partners.

The internship targets students who live close in proximity to the Southeast Wastewater Treatment Facility and who are motivated to pursue careers related to architecture and urban planning, engineering and design, finance and accounting, communications and government relations, operations and environmental management, or art and design.

CityWorks interns will work with professional mentors and gain valuable skills necessary for both academic and professional success. Interns will also have opportunities to attend field trips to various locations to better understand the city's water, power, and sewer infrastructure.

Applicants must meet ALL of the following requirements:

- Resident of San Francisco's District 10 - zip codes 94124, 94134, and 94107.
- Target neighborhoods: Bayview-Hunter’s Point, Visitacion Valley, Sunnydale, Potrero Hill
- Currently enrolled as a junior or senior in high school OR a first time college freshman
- Will be at least 16 years of age by June 1, 2020
- Ability to work 20 hours a week during the summer
