

CARGO WAY SEWER BOX ODOR REDUCTION PROJECT

Construction Notice

Excavation Work and Local Traffic Impacts Beginning this Summer

WHAT

The San Francisco Public Utilities Commission is upgrading and modernizing its system to protect public health and reduce odors in the community. To support these efforts, crews will be performing excavation work on Cargo Way between Third Street and Mendell Street, as well as 3rd Street between Levon Hagop Nishkian Bridge and Cargo Way as part of the Cargo Way Sewer Box Odor Reduction Project.

WHEN

Construction will begin in summer 2020, with completion scheduled for fall 2021.

WHAT TO EXPECT DURING CONSTRUCTION

- Sewer services will not be affected by this work.
- There will be noise, vibration, dust, parking and traffic impacts in the work zone.
