

Public Notice - Tenderloin Sewer Improvements

Description: As part of the Sewer System Improvement Program, the San Francisco Public Utilities Commission (SFPUC), will begin construction to rehabilitate the existing 100+-year-old sewer pipelines located under **Jones, Turk, and Mason Streets, and Golden Gate Avenue**, and replace some sewer laterals in the project area.

Contact: Please leave SFPUC Communications a message at (415) 554-3233, ssip@sfgwater.org. After hours: please call 3-1-1. For more information visit sfpuc.org/newmontgomerysewer.

When: The construction is anticipated to start as early as mid-March 2022. Weather and construction issues could impact the schedule. General workdays and hours (weather permitting) are Monday – Friday at 9:00 a.m. to 3:00 p.m. and Saturday – Sunday at 8:00 a.m. to 6:00 p.m. Some night work may be required.

Where: This work will occur on **Jones Street** (between Golden Gate Avenue and McAllister Street), **Golden Gate Avenue** (between Jones and Taylor Streets), **Turk Street** (between Taylor and Mason Streets), and **Mason Street** (between Eddy and Turk Streets). Expect delays, consider alternate routes, and plan ahead if you must travel through the area.

What to Expect:

- SEWER AND WATER SERVICES in the area will NOT be interrupted during construction.
- PARKING: Street parking will be impacted near construction zones. “No-parking” signs will be posted 72 hours in advance.
- TRANSIT STOPS & LOADING ZONES: Transit stops for Muni buses and passenger loading zones for properties may be affected. Advanced notice and signage will be provided as needed. For transit changes, please call 415-701-2311 for temporary bus stop information.
- TRAFFIC: Partial lane closures will be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided as needed.
- ACCESS: Follow posted signage on site. Businesses and residents in the work zone will maintain access to their driveways and entrances during construction.
- NOISE: Neighbors may hear construction noise periodically. Noisy work will be conducted in compliance with the San Francisco Noise Ordinance.
- ODORS: If necessary, odor control measures will be in place during construction. Please visit sfpuc.org/curedpipe for more information.

Sewer improvements are funded through the Sewer System Improvement Program (SSIP) – a multi-billion-dollar citywide upgrade of our aging sewer infrastructure to ensure a reliable and seismically safe sewer system now and for generations to come. For more information, visit sfgwater.org/SSIP.
