

# Residential Water Conservation Services

The SFPUC offers rebates, incentives and services to help customers save water and money. When our customers use water wisely, it helps us to maintain our high-quality, reliable and resilient water supply. Wet or dry year, conservation is a way of life in California.

## Water-Wise Evaluations

During a free Water-Wise Evaluation, a technician will visit your property to help identify costly leaks, inefficient fixtures, and provide recommendations to improve your water efficiency.

## Free Toilets

For a limited time, we are offering free high-efficiency toilets with free installation to eligible residential account holders that have existing toilets using 3.5 gallons per flush or more. Visit [sfwater.org/prep](http://sfwater.org/prep) to apply.

## Free Plumbing Devices

Customers can benefit from immediate water savings with free plumbing devices, provided during a Water-Wise Evaluation or at our Customer Service Counter at 525 Golden Gate Ave.

- High-efficiency showerheads
- Faucet aerators for kitchens and bathrooms
- Garden hose shut-off nozzles
- Standard toilet leak repair parts

## Clothes Washer Rebates

Customers may be eligible for rebates when purchasing select high-efficiency clothes washers, including high-efficiency coin-operated washers.

## For Landscapes

We are committed to helping customers maintain beautiful and water-efficient landscapes, including:

- Free landscape irrigation system evaluations
- Low-cost gardening classes
- Water-wise guidebooks and plant lists
- Discounts for rain barrels, cisterns and Laundry-to-Landscape graywater systems.

# Tips for Conserving Water

- Repair or immediately report plumbing fixture leaks

- Report water waste by calling 311 or visiting SF311.org

- Replace inefficient toilets, urinals and washing machines

- Use water-efficient showerheads and aerators\*

- Sign-up for a Water-Wise Evaluation\*

- Use a broom to clean pavement instead of a hose

- Prevent irrigation overspray onto hardscapes

- Water plants between 8 pm and 10 am to reduce evaporation

- Operate your clothes washer and dishwasher with full loads

- Turn off the tap while brushing your teeth, shaving, or washing dishes

\* Available free from the SFPUC

## Monitor Water Use

Sign up for **My Account** to view your hourly water use and pay your bill at [myaccount.sfwater.org](http://myaccount.sfwater.org)
