Access. Compete. Perform.

The following information about upcoming contracting opportunities – both for construction and professional services from the San Francisco Public Utilities Commission (SFPUC) – is being distributed by the Contractors Assistance Center (Center) to help small, local business of the opportunities. However, the information provided herein is subject to change without notice and being listed here is not a guarantee that project will be advertised for bid without notice and being listed here is not a guarantee that will be advertised for bid or awarded by the SFPUC. The advertisement dates of the projects “in development” are only projections and projects many not advertise during the timeframe specified or in the order listed, if at all. Moreover, this is a not a complete list of contracting opportunities with the SFPUC. Please refer to the bid advertisement and contract documents for the final details.

Additionally, public works contracts with the SFPUC are subject to compliance monitoring and enforcement of prevailing wage requirements by the California Department of Industrial Relations and the San Francisco Office of Labor Standards Enforcement. No contractor or subcontractor may be listed on a bid for a public works project or awarded a public works project unless registered with the California Department of Industrial Relations. Registration is annual and runs July 1 to June 30. Registration renewal opens May 1. Registration and renewals should be completed online at www.dir.ca.gov/public-works/contractors.html.

As San Francisco is poised to invest billions of dollars in the City’s aging public infrastructure – water, sewer, roads, transit system – local and small businesses will need the tools and resources to adequately access, compete and perform on these contracting opportunities.

The Center helps small, local businesses access those tools and resources by offering a range of services from technical assistance and classroom training to networking events and one-on-one counseling. The Center tailors its offerings to the specific needs of each small, local business it serves, whether new or existing.

The Center is an integral part of the City and County of San Francisco’s efforts to support economic, workforce and business development. The SFPUC will manage the Center and work closely with other City departments and City contract awarding agencies.
