

## Alex Pitcher Pavilion

### Amenities

- Full commercial kitchen
- Amphitheater
- Projector
- AV system
- Tables and Chairs

Standing Capacity: 200

The Alex Pitcher Pavilion is the primary event space for the Southeast Community Center. This standalone space features tall windows, a mural that includes local landmarks and community members, a beautiful wooden floor, and walls.

The space features an amphitheater providing additional outdoor space and seating with settings perfect for a band or for your guest to enjoy. The amphitheater consists of planted raised berms surrounded by wooden seating and a concrete stair structure to host outdoor events on the east side of the community center. The amphitheater seats approximately 100 people.

The event space has a built-in audiovisual (AV) system to project audio inside and outside of the Alex Pitcher Pavilion. The AV system includes a laser projector, screen, and two wireless mics. The AV system can connect to devices via an HDMI cord, and is accessible for an additional charge. The room has access to the city's public wireless connection under #SFWiFi as seen throughout the center.

The kitchen is equipped with an electric range, (2) commercial dishwashers, a fridge freezer combo, three (3) sinks and two (2) food warmers. The kitchen area is large enough to allow a sizable group to cook and prepare food there. The kitchen offers the service of catered food, set-up, and warming food.

The space also 3 restrooms including a gender-neutral restrooms with a baby changing station. Users of the space will have access to rectangle tables (4' x 2') and round tables (5' diameter).

## Multipurpose Rooms (Bayview, Hunters Point, Visitation Valley)

### Amenities:

- AV system
- Projector & Screen
- TV Display
- 360 Conference Camera
- Built in white board (in partition wall)
- Tables and Chairs
- Non-cooking kitchen/breakroom access

Standing Capacity: 78

Our large multipurpose rooms are a perfect choice for meetings, workshops, and conference style activities. Each room has a wall of ceiling height windows that gives a view of the SECC park grounds. Each room comes equipped with a projector, a TV display, two 360-degree conference cameras, and a built-in whiteboard (when using the partition).

This smart meeting room design creates an incredibly productive and fun gathering experience for participants, whether they are in-person or remote. There's also an adjacent breakroom. The breakroom provides the use of a fridge, sink and counter space for staging a meal to be served.

The space can be set up in a variety of configurations to meet your event's needs or group size. It includes access to 4' x 2' rectangular tables and standard sized black chairs.

Our multipurpose rooms can be connected to one another to create an even larger space for greater capacity and with all the same amenities included. If you decide to utilize our AV system, you need to bring a laptop or iPhone to set up the configuration. The room gives access to the City's public wireless, #SFWiFi which you can connect to if needed. Our multipurpose rooms are located on the second floor of the center and is fully accessible to persons with disabilities.

## Double Rock

### Amenities:

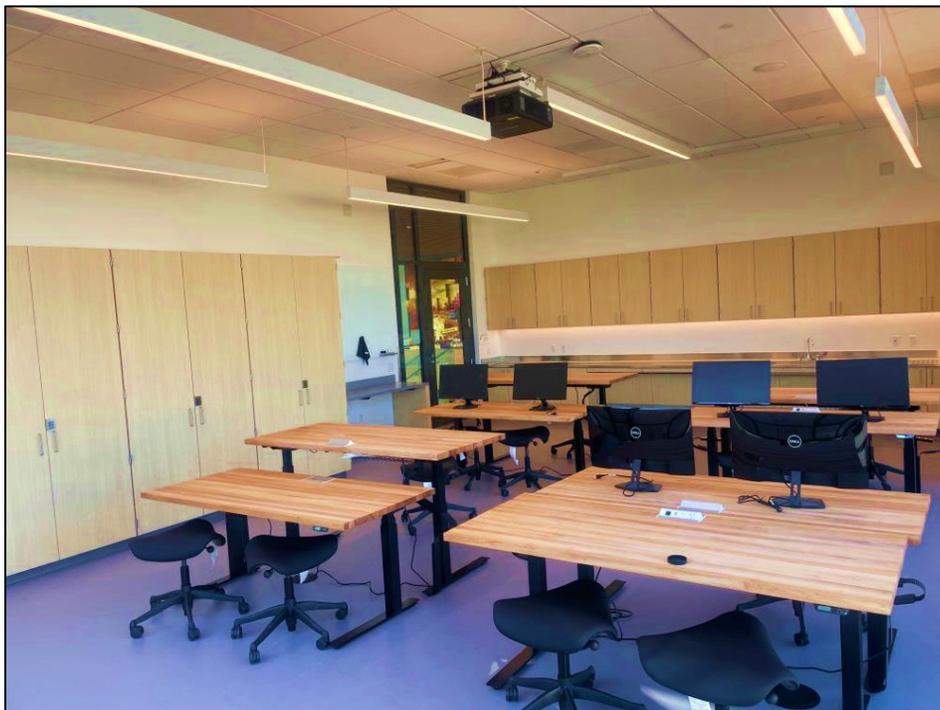

- AV system
- White Board
- Sink
- Rising Tables
- Adjustable chairs

Standing capacity 41 people

The Double Rock room is our tech learning lab for guided classroom-style training. This room seats on the second floor; right next to the elevators and adjacent to our community space. The room is equipped with a standard smart classroom with audio/video connections, touch-panel controls, a projector, speakers, storage cabinets, and a sink. It has adjustable tables and chairs and is accessible to people with disabilities.

The room is spacious and provides a great view of downtown San Francisco. It has windows to ceiling walls which bring the natural lights and elements to your feet. This tech learning lab can hold knowledge-sharing workshops, skills training, development classes, and other educational activities.

The Double Rock room comes with 8 rectangular tables and 16 chairs. The layout of this room cannot be rearranged.

## Potrero Hill

### Amenities

- Breakroom access
- 2 white boards
- Children furniture
- 2 cabinet storages
- Sofas, couch, tables, and chairs

Standing Capacity: 30 people

The Potrero Hill is our most intimate meeting room setting. It has floor-to-ceiling windows that let in a flood of natural lighting and a view of the Bayview Hunters Point Shipyard. This child-friendly space comes with couches, sofas, two (2) whiteboards, two (2) cabinets, tables, and children-sized chairs and tables. The room is great for meetings and gatherings that will include children.

The furniture layout of this room cannot be rearranged.

## Garden / Lawn / Picnic Area

### Amenities

- Picnic Areas
- Children Play Area with natural play area
- Gardens
- Sports Lawn
- Water fountains
- *(\*Chairs and tables are NOT PROVIDED\*)*

The Southeast Community Center's beautiful outdoor space seats approximately 2 acres of land and features a children's playground area with a natural play area, picnic areas with tables and barbecue pits, and benches, sports lawn, swinging benches, and several small gardens and walking pathways that feature a dry creek for diverting stormwater runoff.

Extensive natural play elements are integrated with the lawn and garden areas. There are balance logs, a boulder field set within the grove planting area, a natural rock wall, and a boulder mound. The sports lawn can be used for different activities like sports and games.

Three separate picnic areas with picnic tables, smaller picnic platforms, and benches are provided. Each picnic table can seat a group of 6. Water-drinking fountains are close by to keep people hydrated.
